LANE 6 CALVARY GROUND LAHORE CANTT

## SUMMARY

---

A euthanistic individual with a passion for all things.

I am very punctual when it comes to meeting deadlines. My analytic ability allows me to solve complex problems in a clean manner. With a keen interest in web development, I am a self-taught front-end developer mainly utilizing resources from the internet although my skill is not that advanced however my journey continues in expanding my knowledge further in web development and other technology trends. Currently enrolled in Forman Christian College student of 4th semester pursuing Bachelor's in computer science where my expected graduation year is 2025.
